DC313N

Wireless portable doorbell with volume control and push button – White

Simple, reliable and hassle-free, the Honeywell DC313N doorbell comes with adjustable volume to suit your mood, and a LED strobe for added visual alerts. And thanks to Honeywell ActivLink™ technology providing a reliable wireless connection, you know the doorbell will always work.

Pack Contents:

1 x Wireless Portable Doorbell,1 x Wireless Push Button,1 x CR2032 (3V) Battery,1 x Quick Start Guide, 1 x Safety & Guarantee, 1 x Declaration of Conformity,

Key Features and Benefits:

Never miss a visitor or delivery - Take your portable doorbell anywhere around your home and garden, with Honeywell ActivLink™ technology providing a reliable wireless range of up to 150m, while the maximum volume of 84dB can be heard up to 80m away.

Disturbance Free - Easily adjust the volume to suit your family and mood, or when you simply want some quiet time.

Revolutionary design - Compact and beautifully designed in a harmonising palette of white and grey, our doorbells are designed with your home in mind.

Peace of mind - Peace of mind for visitors, thanks to a LED confidence light on the push button, and peace of mind for you, thanks to the Secret Knock function which plays a different melody, so you know if it's a family member or friend at the door. For total peace of mind, let Honeywell ActivLink™ interconnect your doorbell with Honeywell security accessories and Home Alarm Kits to build your own bespoke home alert and alarm system.

Reliability and Quality - Honeywell ActivLink®, using the 868MHz frequency, is our innovative wireless protocol which delivers greater range capability, extended battery life of up to 2 years, and improved connection reliability, all supported by our 2 year product quality guarantee.

Compact size with rich sound - All Honeywell doorbells benefit from digitally enhanced, crystal clear sound that carries well throughout the home and garden, packing market-leading sound quality into some deceptively small packages!

Easy To Install - All Honeywell doorbells come pre-linked and ready to install straight out of the box, with optional screw-free installation and an easy open battery compartment so you can be set up in minutes. All this is backed up by our 2 year product guarantee.
