KEY-FKPZ-BK
KEY-FKPZ-WH

Flush keypad

Familiar functionality and navigation in a discreet flush design and available in a choice of five finishes to suit all interiors.

The available finishes are:

- KEY-FKPZ-PC polished chrome
- KEY-FKPZ-SC brushed chrome
- KEY-FKPZ-BR brass
- KEY-FKPZ-BK piano black
- KEY-FKPZ-WH high gloss white

The KEY-FKPZ range of keypads are designed to fit a single gang back box for a simpler and neater installation. Compatible with the full range of i-on and Menvier panels using software version 4.04 and higher.

This keypad includes a large LCD display and key backlighting. Additionally, users can set/ unset and installers can program the system.

In addition the KEY-FKPZ keypads include:

- A navigation key for easy access to the user and installer menus
- A status LED that can be turned on or off from the keypad menu
- An internal prox reader and terminals for an external proximity tag reader KEY-EP (not supplied)
- Connections for two zones
- One terminal for a programmable output and one loudspeaker output
- An integrated proximity tag reader, terminals for two Fully Supervised Loop (FSL) zones or one four-wire Closed Circuit Loop (CC) zone

Product specification

Compliance	EN50131-3 Grade 2/3
Zones	2
Proximity reader	Yes
Dimensions	132 x 132 x 13mm
Weight	0.2kg
Panel software requirement	V4.04
Current consumption	65mA max backlight ON, prox reader connected, 25mA max backlight off, no external prox reader
Output	Open collector transistor, +12VDC when inactive, 0V when active. 250mA with resettable fuse, loudspeaker output.
Material	ABS
Operating Temperature	-10° to 55°
Humidity	0 to 73%. RH - Condensing
Environmental class	2

Compatible products

i-on16/ EUR	Panel end station
i-on30EX/ EXEUR	Panel end station
i-on40/ EUR	Panel end station
i-on50EX/ EXEUR	Panel end station
i-on160EX/ EXEUR	Panel end station
Menvier30KPZ	Panel end station
Menvier40KPZ	Panel end station
Menvier100KPZ	Panel end station
Menvier300KPZ	Panel end station
Multibus	Panel end station
