

ATC Welcome Overdoor Heater

The **ATC Welcome Overdoor Heaters** come in 3kw output. They are supplied with a hand-held Remote Control to provide the user with the option of manually or remotely switching the heater. The Welcome Overdoor Heaters also come complete with a volt free contact to enable remote switching from time clocks and sensors.

ATC Overdoor Heaters provide heating over entrances to buildings such as Restaurants, Bars, Offices and Retail Shops.

Thanks to the compact design, the over door heater can be mounted where space is limited between the ceiling and the upper edge of the doorway.
